TOP SECRET/SENSITIVE/EXCLUSIVELY EYES ONLY

1. THANK YOU FOR TOHAK 16 AND 17. I DO NOT BELIEVE SULLIVAN HAS DISCUSSED CHAPTER IV WITH ROGERS. AT ANY EVENT HE IS DELIGHTED WITH IT AND SUGGESTED NO CHANGES. HE CALLS IT AS CLOSE TO SURRENDER DOCUMENT BY DRV AS ONE CAN CONCEIVE.

2. YOU CAN SHOW ROGERS CHAPTER IV. OTHER SIDE HAS ACCEPTED HAND-WRITTEN INSERT IN PARAGRAPH 9G. WE DELETED LAST HAND-WRITTEN SENTENCE ABOUT AUTHORITIES CONTINUING TO ADMINISTER THEIR AREAS BECAUSE WE THOUGHT THE REFERENCE TO FOREIGN POLICY WAS DOUBLE-EDGED.

3. I STRONGLY ADVISE AGAINST SETTING MACHINERY IN MOTION INTERNATIONAL COMMISSION. AS I SHALL EXPLAIN IN FOLLOW-UP CABLE WE ARE HIGHLY UNLIKELY TO HAVE AN AGREED TEXT ON THE PRESENT SCHEDULE. ONE MORE ROUND IS ALMOST SURELY REQUIRED.

4. IF I DO NOT MAKE LAST LEG OF TRIP WE HAVE A PROBLEM REGARDING THE BOMBING HALT COMMITMENT. WHAT DO YOU THINK?

5. TELL JOHNSON THAT IF HE DOES NOT KEEP ROGERS UNDER CONTROL WE WILL CUT HIM OUT OF EVERYTHING FROM NOW ON.

WARM REGARDS...

~~TOP SECRET SENSITIVE~~

Oct. 17, 1972

To: HAK 14

HAK 105

1. Thank you for to HAK 16 and 17.

I do not believe Sullivan has <sup>disputed</sup> ~~last~~ Chapter IV

with Rogers. At any event he is <sup>delighted</sup> with it and suggested no changes. He calls it as close to a master document by OKW as one can conceive.

2. You can show Rogers Chapter IV. Other side has accepted handwritten insert in paragraph 9 g. We deleted last <sup>hand-written</sup> sentence about authorities continuing to administer this area because we thought <sup>the reference to</sup> it was too <sup>foreign</sup> policy was double-edged.

3. I strongly <sup>advise</sup> ~~urge~~ against anything <sup>machinery</sup> in motion or international commission. It shall explain in follow-up cable we are lightly

unlikely to have an agreed ~~for~~ test on the present  
schedule. One more round is almost surely  
required.

4. If I do not make last leg of trip we  
have a problem regarding the bombing halt  
commitment. <sup>What do you think?</sup> ~~can we reduce the bomb rate~~  
~~again & say to 125 a day or is it then ludicrous~~

5. Tell Johnson that if he does not keep  
Rogers under control we will cut him out of  
everything from now on.
